

Greetings!

On September 30, 2023 the Point of Rocks Ruritan Club will host our **annual Art at the Point festival**. This festival features the best live music, visual artists and crafters in the region amidst a unique, home-town, family atmosphere that only Point of Rocks can offer. We are very excited about this event and are eager to continue its success for the community!

We are sending this letter to you because we need your help. In order to make this event successful, **we invite you to consider a sponsorship**. We have different levels of sponsorship to suit your needs and look forward to promoting your business at the Point of Rocks' own Art at the Point.

Thank you for your consideration. We are grateful for your support in growing this community tradition.

Sincerely,

Pamela Lesch and Shannon Sutter
Co-Chairs, Art at the Point Marketing & Sponsorship
